Important Instructions for Students of Biswa Bangla Biswabidyalay:

1. The main activity of the University life is teaching-learning and acquiring vital skill sets which would be shaping up the future of the students. So, attending the classes will not only be a compulsion but a noble duty for the students. No excuses for missing the classes would be entertained and absconders will be strictly dealt with.

2. Biswa Bangla Biswabidyalay has a state of the art architecture. Keeping it's beauty and maintaining the cleanliness should be a priority for the students and they must ensure that.

3. Loitering in the campus without any purpose or for unacademic reasons is strictly punishable. Students found in the campus after 5 pm without any reason would be subjected to strict punishment. Hosteliers are also instructions to retire to their respective hotels after the classes are over. They can leave or enter the campus only after providing required information to the warden and security personnel.

4. Canvassing, plastering, agitating within the campus is strictly prohibited. University officers are always ready for any sort of dialogue regarding any issues students are facing as it is not only a belief but a conviction that every problem can be solved through dialogue and collective efforts.

5. Respecting teachers and seniors is a practice rooted in our culture and all students must pay allegiance to that.

6. The campus is plastic-free and bio-waste free. So students must maintain that.

7. Ragging is not a fun, it is a crime and students should make all efforts to prevent ragging in the campus and the hostels.

8. Respecting women and their opinions is our culture. We all must make attempts to keep our female students and staff feel safe in the campus.
